

Journal cover for the authors from Biomolecular Machines Laboratory

Submitted by b.brach on Tue, 02/17/2015 - 13:52

The article *Electrostatic Interactions in aminoglycoside-RNA Complexes*, co-written by Prof. Joanna Trylska, head of the Biomolecular Machines Laboratory, and members of the Laboratory: Marta Kulik, MSc and Maciej Jasinski, MSc, was awarded the cover in the recent issue of the Biophysical Journal.

Congratulations!
